1½ lb diced sweet potato
¼ cup sliced green onion
½ cup chopped walnuts
½ lb red seedless grapes

¼ lb golden raisins
1 cup diced celery
Salt to taste
Black pepper to taste
1 cup honey dressing*

* Available at J. Pistone Market

1. Peel potatoes, dice and boil in plenty of salted water. Chill potatoes.
2. Add remaining ingredients.
3. Season to taste. Enjoy!

OUR NEW CATERING MENU IS AVAILABLE AT:
WWW.JPISTONE.COM

How to handle sweet potatoes:

When purchasing, select firm roots. Store in a dry, unrefrigerated bin—chilled temperatures cause the core to harden and yield an undesirable taste when cooked. Scrub the skin & remove any bruised or woody portions before peeling/cooking.

REAL FOOD, REAL PEOPLE

It's a "family affair" for Dr. Jerry Goldberg here at the market. Doctor, father, and market regular, Dr. Goldberg always has at least 8-10 of his family members in tow for a sit-down, family-style meal at J. Pistone's. He never leaves without purchasing a couple of cans of his favorite roasted peanuts, or treating his granddaughters to a well-deserved cookie. Warm, composed and genial, he demonstrates that the best medicine of all is spending time with loved-ones around the table, sharing a good meal. *Check back here next month to see a staff member, customer or community individual highlighted.*
